UK

10 June 2010

Dear Mr Iqbal,

MHRA

MEDICAL DEVICES REGULATIONS 2002: REGULATION 19 Registration of Persons Placing General Medical Devices on the Market

Thank you for informing the Competent Authority of the change to the original notification dated (date the registration was registered); **Manufacturers Name: Paramount Surgical Trading Co.**, located at **Manufacturers Address: Air Port Road Gohad Pur Sialkot Pakistan 51360** for whom you are acting as the authorised representative and for supplying the medical device information.

The change(s) to your registration has been recorded based on your declaration that you have determined that the device(s) fall within the definition of "medical device", and that you have classified it/them as falling within Regulation 19 taking into account the intended purpose(s) and mode(s) of action. In accepting your registration, I should make clear that the Competent Authority does not examine each individual notification and therefore cannot and does not necessarily endorse these determinations. Neither does this letter represent any form of accreditation or approval by the UK Competent Authority.

Your registration is based upon your declaration on the RG2 form and means that:

For Manufacturers of Class I medical devices, Assemblers, and Sterilisers

You should now be operating under the Medical Devices Directive and the above Regulations for the products you asked us to register, by fully complying with the essential requirements, CE marking those products or labelling them as such.

For Manufacturers of Custom-made devices

You should be ready to claim compliance with the Directive and Regulations and should be manufacturing custom-made devices in accordance with their requirements.

If you stop placing devices on the market or if you are not complying with the Regulations you should inform us so that we can amend our records. You should be aware that it is an offence to place on the market CE marked devices that do not comply with the Regulations.

The information you provided has been recorded against the reference number shown at the top of this letter, which we ask you to quote in all future correspondence and communications.

Please inform us of any changes to:

- the company information
- additional generic groups of devices (not individual products within an existing generic group)
- discontinuation of a generic group of devices.

Please use RG2, the Registration form, to tell us about any of these changes.

Medicines and Healthcare products Regulatory Agency

ConfRep Vers 2 Sept 2008

An executive agency of the Department of Health

Thank you for registering the following generic groups of devices:

Class I Devices:

Dental Instruments (Re-Usable & Non-Powered)
Surgical Instruments (Re-Usable And Non-Powered)
Measuring and mixing devices for medicines
Syringes (Hypodermic/Oral/Irrigation)
Handheld Dental Mirrors And Accessories
Impression Materials, Trays And Adhesives / Bite Wafers / Bite Gauge
Stethoscopes
Laryngoscopes/Otoscopes And Accessories
Ophthalmoscopes/Retinascopes
Umbilical Clamps/Tape

Custom Made Devices:

None

Products Covered By Article 12:

None

Confidentiality

Please note that in accordance with Directive 2007/47/EC as of 21st March 2010 information on the registration of persons responsible for placing devices on the market will no longer be treated as confidential and the Competent Authority will provide third parties with information on the name and address of manufacturers and authorised representatives and their devices that have been registered. However the names of individuals, their telephone numbers and email addresses will remain confidential unless you have chosen to trade using personal details. This change only applies to medical devices and does not affect In Vitro Diagnostic devices registration, which remain confidentiality under Article 19 of the In Vitro Diagnostic Directive 98/79/EC.

If your company name or that of a manufacturer that you represent is based on an individual's personal name it will be published unless you inform the MHRA that you would like the company name to remain confidential.

Likewise, if your company address or that of a manufacturer that you represent is the personal home address of an individual it will be published unless you inform the MHRA that you would like the company address to remain confidential.

Should you have any queries regarding your registration, please do not hesitate to contact us.

Yours sincerely

Barbara Clarke

Regulatory Affairs Administrator

INTRODUCTION

We have the best quality instruments

Dear Customers,

We are happy to present our New Catalogue of Surgical Instruments. We have improved in order to make it simpler and easier to follow. It would be an excellent guide to all our customers in the world over.

Since 1975

We are manufacturer of wide range Stainless Steel and Brass Chrome plated instruments. Quality of our each instrument is made to exact specifications. Much of our time is spent assuring the quality of the products we sell. Our name does not go on any instrument that fails to pass our tough quality assurance standards. We know our reputation depends on providing a quality product that will perform constantly for years.

The selection of instruments has been increased because of the wide acceptance of these instruments of our customers. We have been produced by experienced and skilled master craftman in ourworkshops in the area of Sialkot.

It is due to their efficient cooperation and superior workmanship that we have made itself a name throughout the world as a reliable supplier of high quality of Surgical, Dental, Manicure, Pedicure & Veterinary instruments.

SPECIAL INSTRUMENTS: We also welcome your enquires for the instruments not listed in this catalogue and can be made to order and customers ideas carefully carried out by skilled technicians in our workshops.

We invite you contact us for all your instruments which you needs. There's no better choice when you want the best. We provide you better quality and selection.

A Company of Al-Haj M.Munir Son.

Quality of Instruments

1. Premier craftman ship.
2. Highest quality standard of workmanship.
3. Our instruments are made of high Quality,
Durable surgical grade stainless steel

Our Products

The Company offers a broad range of products through its specialized catalogues. In addition to the instruments mentioned in the catalog, PARAMOUNT SURGICAL CO. is also capable of producing other instruments upon specification or reference to other catalogs. Surgical Instruments are made using a variety of stainless steel or chrome plated brass depending upon the requirements of the customers. Strips, Coils, Round bar, and Pipes are used for manufacturing the surgical instruments and the following types of stainless steel is used depending upon request.

Japaness Stainless steel
French Stainless steel
German Stainless steel
Italion Stainless steel
Pakistan Stainless steel

New Product Offerings:

PARAMOUNT SURGICAL CO. Continuously adds latest product / instruments to its catalog and production line. Any latest instruments can be produced based on drawing or sample. Super cut, TC Super cut, Razor edge, titanium and micro instruments are examples of some products which represent the latest in healthcare instrumentation and are currently offered by the company.

PARAMOUNT SURGICAL Quality Guarantee:

Each instrument of PARAMOUNT SURGICAL CO. is guaranteed against rust, breakage or mechanical complication to be either repair or replace free of cost.

KLS Martin TC-Gold Nadelhalter mit Hartmetalleinlagen

KLS Martin TC-Gold Needle Holders with tungsten carbide inserts
KLS Martin TC-Gold Porta-agujas con plaquitas de carburo tungsteno
KLS Martin TC-Gold Porte-aiguilles avec inserts en carbure tungstène
KLS Martin TC-Gold Portaghi con morsi in carburo tungsteno

TC GOLD

PST-11-2829

- Hartmetalleinlagen mit präzise gearbeitetem Pyramidenprofil für sicheren Halt der Nadel
- tungsten carbide inserts with precisely performed structure grants a secure grip of needle
- plaquitas de carburo tungsteno con un perfil amoldado en forma de pirámide garantizan un ajuste seguro de la aguja
- les inserts en carbure de tungstène avec structure pyramidale usinée avec précision garantissent un maintien sûr de l'aiguille
- gli inserti di carburo di tungsteno avente struttura piramidale assicurano una presa sicura sull'ago.
- sorgfältig gehärtet für gleichbleibende Elastizität und Stabilität
- thoroughly tempered for constant elasticity and stability
- templado cuidadosamente para garantizar una elasticidad y estabilidad constante
- trempé soigneusement pour garantir une élasticité et stabilité constante
- accuratamente temprato per garantire una elasticità e stabilità costante.

- gebrochene Kanten verhindern das Verfangen des Nahtmaterials
- bevelled edges prevent catching of suture material
- aristas matadas evitan que se enreden los hilos de sutura
- les bords carrés empêchent le matériel de suture de s'embrouiller
- i bordi sono arrotondati per favorire l'annodamento della sutura
- leichtgängige Sperre ermöglicht eine sichere Arbeitsweise
- smoothly working ratchet provides a safe handling
- cierre suave facilita un manejo seguro
- blocage souple permet de travailler de manière sûre
- la cremagliera facilmente manovrabile permette di lavorare in
- sorgfältig gehärtet für gleichbleibende maniera sicura.
- vergoldete Ringe zur leichten Identifizierung
- golden rings for easy identification
- anillos dorados para fácil identificación
- anneaux dorés pour faciliter l'identification
- anelli dorati per una facile identificazione

- Scalpel blades, different sizes
- Vascular scissors, straight, button ended, 11,5 cm
- Scissors, curved, sharp/sharp, 10,5 cm
- Semken dressing forceps, 12 cm
- Semken dissecting forceps, 1:2 teeth, 12 cm
- Mosquito artery forceps, curved, 12,5 cm
- Mosquito artery forceps, straight, 1:2 teeth, 12,5 cm
- Backhaus towel clamp, 8 cm
- Finsen spreader, adjustable, 7 cm
- Doyen grooved director, curved, 14 cm
- Mathieu needleholder, 14 cm
- Surgical needles, different sizes
- Needle case, 65 x 42 mm, perforated
- Lange approximation forceps, self-retaining
- Michel suture clip forceps
- Michel suture clips, on clip holder
- Ligature needle, fine
- Protection pouch, plastic

Set Kleine „Wundversorgung“

“Small Suture Set”
Set “Sutura pequeña”
Set «Suture petite»
Set “Piccole ferrite”

PST-11-2982

Complete, in Microstop®-miniset-container, Consisting Of:

- Scalpel handle, No. 3
- Operating scissors, sharp/blunt, curved, 14,5 cm
- Dissecting scissors, blunt/blunt, curved, 14,5 cm
- Dissecting forceps, 1:2 teeth, 14,5 cm
- Dissecting forceps, 1:2 teeth, narrow, 14,5 cm
- Dressing forceps, delicate, 14,5 cm
- Splinter forceps, Feilchenfeldt, 9 cm
- Towel clamp, Tohoku, blunt, 10 cm
- Mosquito artery forceps, curved, 12,5 cm
- Artery forceps, Pean, delicate, curved, 16 cm
- Artery forceps, Kocher, 1:2 teeth, curved, 16 cm

- Dressing forceps, Gross-Maier, straight, 22 cm
- TC-Needleholder, Crile-Wood, 15 cm
- Hooklets, delicate, sharp, 2 prongs, 16 cm
- Wound spreader, blunt, 3:4 teeth, 13 cm
- Round dish, 61 x 30 mm, 0,07 l
- MicroStop®-Miniset-Container, 301 x 189 x 41 mm
- Identification lable for Miniset-Container, with text
- Wrapping towel, 50 x 50 cm
- Spring frame for Miniset-Container
